

**SUPPLEMENTAL
INSTALLATION INSTRUCTIONS
Bracket P/N 75226
Trans4mer Grille Guard/Winch Mount
For GMC Sierra 2500HD & 3500, +‘03
Kit 76248/76249**

Bracket p/n 75226 (shown below) should be used in Kit 66020 and 66030 when installing a 9500 lb or larger winch, or when installing a Warn PowerPlant.

Bracket p/n 75226 (shown below) is used in place of the Right Upper Bracket “with notch” referenced in Figure 9b and step #13 of Installation Instruction 66019.

Use this bracket only when installing a small Winch Carrier.

DO NOT use any spacers between this bracket and the Side Member.

DO NOT use this bracket when installing a Large Frame Winch Carrier.
